Figment-Event

The Breakfast-Event "One Little Spark ... A Morning with a Purple Dragon" will take place in September in the Walt Disney World® Resort. Participants to this Event will receive the newest Event-sculpture of Figment with an accompanying pin. The sculptor of the figurine, Bruce Lau, will also attend this special happening.

Figment is the main character of the Epcot® attraction "Journey into Imagination" and David Pacheco, the WDAC Creative director, was one of the creators of this character and attraction.

The figurine will be released in a limited edition of only 500 pieces (only 250 pieces will be made of the pin). Figment has a value of \$99, - and is part of the Spotlight Collection.

More information on the event and figurine can be found at www.disneygallery.com.

The third quarter brings a range of new and exciting sculptures for the Classics Collection.

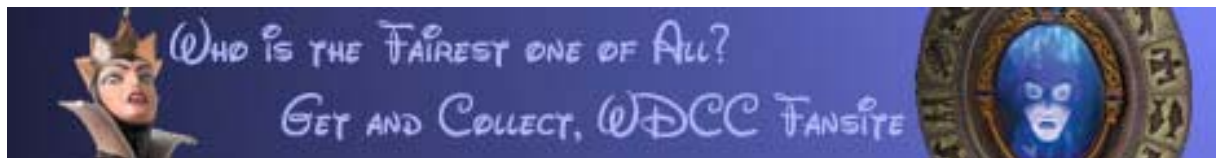

Flik and princess Atta will be added to the collection: these are the first figurines of the collection from the Disney/Pixar co-production "A Bug 's Life".

The Heroes & Heroines-series gets a new hero: Prince Philip. It shows the moment when Philip defeats Maleficent!

The rumour of a new figurine depicting Tinker Bell in the lantern was true. The Walt Disney Collectors Society releases Tink in an Open Edition exclusively available for members.

Retirements

On June 13th the newest retirements were announced! The scene from "Two Chips and a Miss" with Chip, Dale and Clarice are now retired.

Also, the figurine of Peter Pan "Off to Neverland" (including the Window base) is retired: Peter Pan was the last sculpture of the "bed-scene", that was not retired.

WDCC gossip

It is heard more often: it is very likely there will be new sculptures from "The Incredibles" (including Edna) and a sculpture of Esmeralda or an other hero from "The Hunchback of Notre-Dame".

We will keep you informed through this newsletter and the website (<http://www.getandcollect.nl/releases.htm>)!

Sold out!

It is now official: the limited edition sculpture of Duchess and O'Malley with the harp is sold out at Enesco. This means, that the last figurines have been shipped to the dealers and that they cannot be ordered by the dealers at Enesco any longer.

The new figurines in honour of the 50th anniversary of Disneyland USA, "Sharing the Vision" with Walt & Mickey and "Family Vacation" with Donald, Daisy and the nephews are also completely sold out. The dealers have announced that they cannot fulfil all demands from the collectors.

Changes to the Get and Collect website
